G2's Detroit office hires engineer and announces summer interns

Troy, Mich./July 18, 2007 - G2 Consulting Group, a engineering firm providing geotechnical, environmental and construction engineering services, hired **Landon Mills** as a staff engineer in the construction engineering services group in G2's Troy, Mich., headquarters.

Mills, a resident of Northville, recently graduated from the University of Memphis in Memphis, Tenn., with a bachelor's degree in civil engineering.

G2's 2007 summer interns include:

- **Kathryn Cunningham**, a geotechnical intern from Rochester who is pursuing a bachelor's degree in civil engineering at the University of Michigan;
- **Tabetha Martel** of Washington, Mich., a construction engineering services intern pursuing a bachelor's degree in civil engineering at the University of Michigan;
- **Kevin Ritter** of Britton, Mich., a construction engineering services intern who is pursuing a bachelor's degree in civil engineering at the University of Michigan;
- **Justin Wood** of Sterling Heights, Mich., a construction engineering services intern who is pursuing a bachelor's degree in civil engineering from the University of Detroit Mercy;

G2 (www.g2consultinggroup.com) is a full-service engineering firm providing geotechnical, environmental and construction engineering services to Fortune 500 companies, major utilities, property owners, government agencies and leading architectural, engineering and construction firms across the United States. G2 also has offices in Brighton, Mich., and suburban Chicago, Ill.
